CREEK CLEAN-UPS

PARKWOOD RESIDENTS ASSN. MEETING
SATURDAY, OCTOBER 18
10 A.M.
KENSINGTON PARK LIBRARY

Between 1994 and 1996 several clean-up projects of Rock Creek were held cooperatively between the Parkwood Residents Association and the Kensington Estates Residents Association. They were by all counts very successful, ridding the Creek of dozens of tires, and countless debris.

We haven't had a clean-up since 1996. These are great opportunities for established groups, Boy Scout merit badges, and anyone else who enjoys and cares about the Creek. If you or your group are interested in helping to organize the next Creek Clean-Up please contact Kensington Estates' Debbie Trent at 301-897-4097.

KENSINGTON-PARKWOOD SCHOOL

The K-P Elementary School PTA has decided to replace some of the aging playground equipment, improve the appearance of the school grounds with more attractive landscaping, and upgrade the athletic fields. The K-P PTA has set aside some money for this initiative, with additional funds possibly coming from the County. The PTA is seeking financial support from the Kensington business community and would also like the support of the Parkwood Residents Association, as well as other neighborhood associations. If you would like to know more, please call Dan Shepardson at 564-4381.

11TH ANNUAL MONTGOMERY COUNTY ANNUAL COMMUNITY SERVICE DAY

Volunteer Partnership Montgomery and area businesses are co-sponsoring the 11th Annual Montgomery County Community Service Day on Saturday, October 25, 1997 (rain or shine). Volunteers assist with community-service projects including repairing/painting a homeless shelter; cleaning a park, stream, or schoolyard; collecting supplies for the needy; and more. There are lots of projects to choose from in locations all around the County. To volunteer for either an arranged project, or to offer your own, please call 301-217-4960.

CRIME REPORT

Officer Jim Reilly with the Park Police, our community's liaison, reported that crime in the Parkwood area was down this summer from last year. Nonetheless, auto theft continues to be a problem, particularly for joggers who leave their keys in their unlocked car when parked on Beach Drive. Everyone should remember to lock your car doors.

RECYCLING INFORMATION

If you don't know already, you now can recycle mixed paper with your newspapers on Tuesdays. This means you can recycle:

- magazines and catalogs
- telephone books
- paperboard boxes, such as cereal boxes
- unwanted mail
- computer and office paper
- corrugated cardboard
- paperback books
- all other clean, dry paper that was not in direct contact with wet or greasy food.
