

# PRA LISTSERVE USERS' GUIDE

September 2020

## GUIDELINES FOR USING THE PRA LISTSERVE

1. There can be no advocacy for political candidates or their positions.
2. It is acceptable to express opinions, but personal attacks or insults directed at others are not acceptable. Courtesy and civility must be adhered to in all messages.
3. Commercial advertisements or messages are not allowed.
4. Include your name at the end of your posts.

## READING, REPLYING, and SENDING MESSAGES

The PRA listserv is based on Google Groups.

1. In your email inbox you will receive messages posted to the listserv, just as you receive any other message sent to you.
2. You read the messages in the same way you do now.
3. You can create a message on a new topic and send it to the listserv using this address:

pra-listserve@googlegroups.com

4. You can also choose to delete listserv messages, save them, and/or Reply to All or Reply to Sender.
5. If you want to **send your reply to the entire group**, choose the option in your email system that lets you “reply to all”.
6. If you want to **send your reply only to the person who posted the message**, choose the option in your email system that lets you reply to the sender only.

## IMPORTANT NOTE ABOUT REPLYING TO MESSAGES

When you “Reply” to a message your response will go only to the sender and not to the general listserv. To reply so that the whole listserv can view your response, choose “Reply to All” in your email client. **While there will be occasions when it is preferable to take a conversation private, we encourage all users to “Reply to All” whenever appropriate.** Messages are only archived when your responses go to the whole listserv. The archive is searchable and becomes a valuable tool for the community to learn what is happening in the neighborhood, recommended service providers, etc.

## RECEIVING A DAILY SUMMARY OF MESSAGES

If you want to receive a daily summary of messages instead of receiving each message as it is posted, **you must first establish a Google account** and then change your viewing preferences.

**To establish a Google account, see the instructions at the end of this Guide.**

**To change your message delivery options**, go to the [Google Groups Homepage](#). Select “My Groups”. This will take you to a list of any Google Group that you are a member of. To the right of the PRA Listserv entry is a drop-down menu (see the image below). Here you can specify how you would like to receive new messages.
