Karl Voglmayr: Expert in Real Estate Development

Trevor Voglmayr: Expert in Construction

WLC and Warner Circle:

Core Competencies

- Preservation Award-Winning Company.
- Specializing in historic buildings.
- Recently completed project similar to Warner.
- Currently rehabilitating another historic complex.

The Gymnasium at NPS

Washington Landmark's Premier Historical Rehabilitation Project

The "Poseidon" Unit – 2016

Preservation and Re-purposing:

- Excellent track record re-purposing buildings into residences.
- Extensive experience working with historic preservation review agencies
- Strive to retain as much of historic character as possible.

Warner Circle Park Mansion Project Objectives

1. Multi-unit condominium residences.
1. Retain public access to the buildings and entire park.
2. Community Aging in Place Advancing Better Living for Elders (C.A.P.A.B.L.E.)—

Financial Viability

Self-Sustaining for Future Generations

- Developing condominium residences necessitates putting in place a self-sustaining financial regime.
- A capital reserve account will be established as part of the condominium fees.
- The reserve fund is used for these life cycle replacement needs.

Community Involvement and Public Access

- The grounds of the Warner Circle Park will remain fully accessible to the community.
- A key part of our Warner Circle development plan is community-focused.

HYDEN

Community Integration and Next Steps

- Traffic, parking, and site circulation will be carefully thought through and discussed with the community, the civil engineers and the life safety agencies.
- We envision improving landscaping around the buildings, adding impervious parking surfaces in place of asphalt and thorough storm water understanding.
- As we move forward, we wish to be as transparent about our schedule as possible.

Indicative Project Timeline
