

The League of Women Voters

The League of Women Voters of MoCo's Voters' Guide has candidate responses to questions asked by the non-partisan League. The League encourages you Use it to assist you in your decision-making process as you prepare to vote your mail-in ballot (if you applied for one), or at Early Voting Centers from July 7 to 14, or on Primary Election Day, July 19.

Four ways to get the *Voters' Guide*:

1. Online at VOTE411.org – enter your address to see the candidates on your ballot and compare their responses to our questions in English and Spanish.
2. On paper - distributed to Montgomery County facilities such as libraries, senior and community centers the week of June 13. This English version is shorter, due to space limitations.
3. On our website, lwvmocomd.org - printable *Voters' Guide* in English and Spanish in PDF format.
4. In *El Tiempo Latino* newspapers – Spanish version as an insert on June 17.
